

## Why 'Usco'\_

Make something wonderfully good and you say, This is mine,"—you call it by your name.

That is exactly our case

We have made a tire so fine, so sturdy, so responsible that we want it known as ours. So we named it 'Usco'

Because we have put our name on this tire because its success was a matter of business pride, of business honour—we pledged ourselves to see that it "made good "-and it has.

Think of it-a really wonderful new anti-skid tire priced at only a little more than plain treads.
